Innwood, NY 11096

Dear Juan:

Thank you once again for your help in arranging for yesterday's pick-up of twelve (12) pallets of firefighting equipment that the 911 Program is donating to the Consejo Nacional de Federaciones de Bomberos Voluntarios de la Republica Argentina. This equipment was picked-up by Exclusive Air Transport Inc., located at 475 Division Street, Building 2, Elizabeth, NJ 07102, telephone 1-908-248-0431. Our hope is that this equipment will assist firefighters in Argentina for many days to come.

Pursant to your request, the twelve (12) pallets comprise the following :

- 4 pallets of work gloves
- 2 pallets of helmets
- 2 pallets of rubber boots
- 2 pallets of Tyvex suits
- 1 pallet of 6 volt lantern batteries
- 1 pallet of bunker gear

Please let me know what the timelines and next steps are in shipping this equipment to Argentina. On behalf of the 911 Program, we will continue doing everything possible to assist the Consejo in its efforts to acquire equipment and ongoing training, while enhancing safety for Argentinian firefighters and the public they serve.

Sincerely,

Stephan Hittmann
President
