New York, NY 10167

Cher Stephan,

Thank you for joining us at the CMA's Annual Speakers' Dinner and for the memorable speech you delivered to everyone's delight.

Please find enclosed a copy of the letter sent to NYK Line last week, to provide Mr. Sundheim with some sort of supporting documentation. You are welcome to contact him directly.

Thank you again for all your efforts in favor of Panama!

Best regards,

Christophe Frochaux
