Dear Mr. Hittman ;

I hope you enjoyed a happy and safe holyday season.

I am writing to you as a follow up on our project to transport 4 fire trucks that you have so generously offered to Panama.

I have received informal confirmation on the possibility of an important Cargo carrier who services the route *New York Panama & Miami Panama* . I have received indication by their trade department of their good will and spirit of cooperation towards Panama and the Firefighters.

Looking at their cargo schedules and disponibility, they believe it may be doable at the end of February or end of March. I am expecting formal confirmation and possible dates of departure at which time I will contact you immediately.

During a conversation with Mr. Jimmy McCormack he mentioned the possibility of additional equipment and the e need to dismount all accessories from the trucks as a safety precaution . I will appreciate a list of all donations so I can proceed with formalities.

I take this opportunity to thank you once again for your generosity and reiterate once more all my support and cooperation. In the meantime I and send you my best personal regards.

Rita G. de Frochaux
Consul General
