Doctor  
Stephan Hittmann  
911 Program  
New York City, U.S.A.

The Cuerpo de Bomberos de Panamá feels much thanked with you and 911 Program, as well as with the members of the New York Fire Department, by the cooperation offered to us in the improvement of our Institution, the attainment of equipment and making our available seminaries and courses for the qualification of the personnel.

We felt honest of being one of the Firefighters Institutions of Latin America that counts with the support of Firefighters Institutions like the NYFD and 911 Program that propitious brotherhood between firefighters.

Doctor Hittmann, knows that you have in the Panamanian firefighters a new family who esteems and respects you and in addition Panama is your new country.

From Colonel Leopoldo Mojica Castro and all his General Staff we want to show our gratefulness again to you.

With the esteem and respect of always.

  
Colonel LUIS A. RODRIGUEZ A.  
Commissioner of the Council of Zone Director  
Commander in charge  
Cuerpo de Bomberos de Panamá
