Volunteer Service Form

The 911 FUND depends heavily on volunteers to help prepare equipment and apparatus for shipping, to provide training, to lead various campaigns, and to run its operations. Spend a few hours on a Saturday, get involved on a more regular basis at one of our distribution centers, and/or travel with us by donating your time and expertise by volunteering to help fellow first-responders around the world through training. Whatever your skills, the 911 FUND will put them to good use.

Please contact the 911 FUND's Volunteer Service Coordinator at 914-356-5090, e-mail us at info@911fund.org, or fill-out the form below for more information.
